

KIM CANTEENWALLA & ELIZABETH BLAU

OWNERS

Long-time residents of Las Vegas restaurateur Elizabeth Blau and chef Kim Canteenwalla have spent their impressive careers building spectacular restaurants around the world and in their neighborhood. With resumes that read like a who's who list of upscale restaurants, casinos, hotels, and resorts; and experiences with some of the biggest names in the game, they are excited to share their contemporary interpretation of the classic steakhouse with Las Vegas and the Summerlin Community.

Andiron Steak & Sea is their third venture on the west side, after neighborhood favorite Honey Salt and the casual American tavern Made L.V. When not overseeing their two other restaurants or consulting for an international roster of clients, they are often found traveling, cooking with friends and family, and spending time outdoors. Long time Las Vegas residents, they live in The Lakes with their son and future tastemaker Cole and their two dogs, Brookie and Dodger.
